

Computer Case Darkflash DK300M Micro-ATX with 3 fans (Black)

Ref: 4710343793632

Computer Case Darkflash DK300M Micro-ATX with 3 fans (Black)

Darkflash DK300 Micro-ATX computer case (black)

The product is functional and stylish. The computer case of this model is equipped with 2 USB 2.0 ports and one USB 3.0 port. Additionally, it is possible to install 5 120 mm fans and a 240 mm radiator. The design also allows for expansion. The industrial design of this casing will add style to the room.

Built-in USB ports and compatibility

The device is equipped with 1 USB 3.0 port and 2 USB 2.0 ports. The USB 3.0 port enables fast charging and data transfer speeds. The product is compatible with M-ATX / ITX motherboards. This makes the product extremely convenient to use.

Fans can be built in

The product supports up to 5 120mm fans and a 240mm A.I.O.cooler. for better temperature performance. In addition, the front side supports a 240mm radiator and the rear side supports a 120mm radiator. To make better heat dissipation, consider the design of the device.

Extensible

The interior of the product has been designed in such a way as to enable expansion. Additionally, the side panel in tempered glass with handles allows easy access to parts and cleaning. This also makes it easier to retrofit the device.

Functionality and style

The contoured front panel is industrial-style, giving style to the computer case. Removable dust filters on the top and bottom are easy to remove and clean. In addition, they will maintain maximum efficiency. The clear configuration of the inputs and outputs ensures easy access.
