Electric Raclette grill for 6 people Techwood TRA-608

Ref: 3760301554318

Electric Raclette Grill for 6 People Techwood TRA-608.

The Electric Raclette Grill is equipped with 6 raclette pans and a 25 cm diameter grill, so several people can use it. The colorful insulated handles prevent burns, and a light indicator will let you know when the unit is working. Meanwhile, its operation is facilitated by an on/off switch.

Conveniently prepare your meal

The Electric Raclette Grill is perfect for gatherings with family or friends. It has a 25 cm diameter grill and 6 raclette pans, so you can quickly prepare a larger meal. The upper part allows you to grill skewers, meat, fish or vegetables. On the other hand, the lower part includes 6 raclette pans, with which you can quickly melt cheese. In addition, they have handles of different colors, so everyone will choose one for themselves.

Carefully thought-out design

Using the Techwood electric grill is simple and convenient. The switch located at the bottom allows you to turn the device on/off. Remember to preheat the grill first - for about 8-10 minutes. Moreover, the raclette pans are equipped with a non-stick coating, for convenient use and cleaning of the product. On the other hand, the grill on top can be removed at any time if you are temporarily not using it.
