

Lenspen K&F Concept Cleaning Pen

Lenspen K&F Concept Cleaning Pen

Ref: 6936069281132

K&F Concept lens cleaning pen

Take care of the cleanliness of your camera's lens and screen. The K&F Concept cleaning pen is distinguished by its telescopic design - using a dedicated slider, you'll slide out a soft brush with which to clean your camera screen. On the other side of the product is a double head: round and triangular, which will allow you to remove dirt from the camera lens. The product will also work well for a smartphone screen, magnifying glass, etc.
