Cleaning Kit 3 in 1 Kit K&F Concept

Ref: 6936069273908

K&F Concept 3-in-1 Cleaning Kit

The K&F Concept kit will allow you to take care of your camera lens. The pen effectively removes larger debris with a retractable brush and offers 2 additional heads: round and triangular for convenient cleaning. In the package you will also find a microfiber cloth with which you will get rid of fingerprints, and a pump will allow you to quickly and conveniently remove dust from the lens.

Included

dust removal pump

microfiber cloth

cleaning pen
