Ref: 4031541757135

Case B&W type 500 for DJI Osmo Pocket 3 Creator Combo (black)

B&W Type 500 Case for DJI Osmo Pocket 3 Creator Combo (black)

Ensure the protection of your Osmo Pocket 3 and its accessories with the B&W case. With its foam insert, your gear won't get damaged or scratched, and its carefully thought-out design allows you to conveniently organize your space. What's more, it ensures safe transportation of your gear and is IP67 water and dust resistant.

Safe and comfortable transportation of your equipment

If you're a DJI Osmo Pocket 3 camera owner and need the right case to transport your equipment comfortably, the Model 500 from B&W will be the perfect solution. The case is shockproof and resistant to damage, so you can safely transport your valuable equipment in it. In addition, it provides IP67-level water and dust protection. It is also resistant to a wide temperature range of -30°C to 80°C, so you don't have to worry about extreme weather conditions. What's more, the automatic pressure equalization valve allows you to transport it safely even if you're flying on an airplane.

Capacious

The B&W case will accommodate both the camera and accessories. Its capacity reaches 2.3 liters. Thus, you can comfortably place in it not only the camera, but also cables, mounts, microphone transmitter, etc. What's more, practical snap locks allow you to open and close the case easily.

Additional conveniences

The B&W case is convenient to transport thanks to a special handle. In addition, two 4.5mm padlock holes increase the security of your equipment, protecting it from unwanted access. A flexible foam insert allows you to customize the storage configuration to suit your needs.
