Inteligentna waga Yunmai X M1825 M1825 (biała)

Ref: 6926586358769

### Yunmai X M1825 Smart Scale (White)

The Yunmai X M1825 Smart Scale is not just a measuring device but an intelligent partner in maintaining health and fitness. Combining modern technology with intuitive operation, the Yunmai X M1825 scale offers the perfect blend of functionality and design. By connecting to the Yunmai app, users can easily track their progress, making this scale an invaluable tool for anyone concerned about their health.

### Connects to the Yunmai App

The Yunmai X M1825 Scale offers easy and quick connectivity to the Yunmai app, enabling not only body weight tracking but also progress analysis and health goal customization. The app provides detailed reports that help users understand their body and take better care of their health.

### Precision Measurements

With a measurement range from 3 kg to 180 kg and an accuracy of  $\pm 50g$ , this scale ensures exceptional precision. It is suitable for both athletic individuals and those working on significant weight reduction, making it a versatile tool for various users.

### Durable and Eco-friendly Construction

The Yunmai X M1825 is made from environmentally friendly ABS material. This material is both durable and lightweight, making it easy

to store and transport the scale, adding to its practicality.

#### Modern Design and Dimensions

The scale has dimensions of 250 x 260 x 26mm and weighs only 1.2kg, making it compact and easy to store without taking up much space in your bathroom or bedroom. Its minimalist design and white color scheme complement any interior, making it not only a functional device but also a decorative element.

#### Long Battery Life

With a 1000mAh battery capacity and 5V input, the Yunmai X M1825 Scale provides a long battery life, minimizing the need for frequent charging. This is especially important for those who don't want to constantly remember to charge another device.

#### Package Contents
