Mechanical numeric keypad Motospeed K24

Mechanical numeric keypad Motospeed K24

## Motospeed K24 mechanical numeric keypad

Motospeed mechanical numeric keyboard is a comfortable and reliable device that will facilitate your daily work and evening gaming. Its colorful backlighting will give it a unique character. What's more, the high mechanical keys easily yield to your fingers, so they will provide exceptional responsiveness. The K24 keyboard will become a fantastic addition to your desk!

## Unique design

The Motospeed K24 keyboard is equipped with an interesting backlighting, which will give it a unique look, especially during night gaming. You can customize it according to your preferences, as there are as many as 14 different modes available. This will help you create a unique atmosphere in your gaming zone, and you can easily use the keyboard after dark.

## Excellent quality

To make you as comfortable as possible, the high keys are equipped with a mechanical switch. This also affects the surprising durability of the device. With Motospeed you can count on the highest standard of quality, as the K24 keyboard is equipped with an ARM COTEX-M0 microchip. This makes the device delight you with its functionality and performance.
