Choetech T518 15W wireless charger (black)

Use the Choetech charger to quickly charge your smartphone. The product is compatible with iPhones and AirPods. Equipped with strong magnets, it ensures stability and protects your device from damage. What's more, it stands out for its thin design (5.5 mm) and allows you to use your smartphone while charging.

Safety of use

The charger is equipped with 16 strong magnets that guarantee stability - you don't have to worry about your smartphone falling and being damaged. What's more, the Choetech T518 has been protected against overheating, overcurrent, overcharging, over-discharge and short circuit.

Compatible

The charger is compatible with iPhone 12/13/14 series and AirPods 2/3/Pro wireless headphones. In addition to this, it is also compatible with MagSafe cases and regular cases whose thickness does not exceed 6mm - for this purpose, a magnetic ring must be purchased in addition.
