

Wall Charger Blitzwolf BW-S20, USB, USB-C, 20W (white)

Ref: 5907489606998

Wall Charger Blitzwolf BW-S20, USB, USB-C, 20W (white)

Blitzwolf BW-S20 Charger

The Blitzwolf dual-port charger will renew the power of two devices simultaneously with 18W max. Thanks to its compact design, you can easily store it, and its wide compatibility allows you to charge not only smartphones, but also headphone charging cases or game consoles. Equipped with a range of safety features, it ensures safe charging of your device.

Charge two devices simultaneously

The charger allows you to renew the power of two devices at the same time with ports: USB-A and USB-C with a maximum of 18W. This saves you time and allows you to use your devices again faster.

Fast and safe

The accessory supports the Power Delivery fast charging protocol, so you can charge your smartphone in short time. BW-S20 charges 3 times faster, renewing your iPhone's energy up to 59% in half an hour. In addition, the charger has protections against overheating, short circuit or power overload, and can also recognize a foreign device.

Compact

Thanks to its compact design, the charger won't take up much space when you plug it into an outlet, and it also fits easily into your

backpack or bag.

Fits almost any device

Fear that the charger will not be compatible with your device? Don't be! The charger will renew the energy of a smartphone, tablet, Nintendo Switch, earphones' charging case, etc.
