

Wall charger XO L36, 1x USB, Quick Charge 3.0 (white)

Ref: 6920680842629

Wall charger XO L36, 1x USB, Quick Charge 3.0 (white)

XO L36 network charger, 1x USB, Quick Charge 3.0 (white)

Do you care about the ability to quickly charge your devices? Opt for the XO L36 charger! The product provides power of up to 18W and supports the QC3.0 standard. It is equipped with a single USB port and is lightweight and compact enough that you can always have it at hand. The charger also guarantees safe use.

Fast charging

You'll find that it takes really little time to charge your tablet or smartphone. The XO L36 charger supports QC3.0 fast charging and automatically adjusts the current parameters (5V / 3A, 9V / 2A, 12V / 1.5A) according to the requirements of the connected device. It also offers up to 18W of power. So your phone can be up and running in no time!

For the sake of safety

Don't worry about damaging the charger or the devices connected to it. The L36 uses an advanced protection system that protects it from overheating, short circuit, overvoltage, overpower and overcurrent, among other things. All this means that you can enjoy not only fast, but also safe charging.

Compact design

The charger features a lightweight and handy design, so you can always have it with you - you can easily fit it in your purse or backpack. You can easily take it with you on vacation, to your dorm or on the train. Don't give up the ability to quickly charge your devices when you're not at home!
