Adapter 6-in-1 HUB Blitzwolf BW-Neo TH13

Looking for the perfect solution to expand the functionality of your laptop or computer? Introducing the Blitzwolf BW-Neo TH13 6-in-1 Adapter, which will provide you with all that and more. This versatile adapter not only combines the excellent quality of the Blitzwolf brand but also offers many benefits that will surely impress you.

Uncompromising Multifunctionality

This adapter is equipped with three USB 3.0 ports, ensuring lightning-fast data transfer and the ability to connect multiple devices simultaneously. Additionally, it features an HD Display Port, allowing you to connect a monitor with a resolution of up to 4K@30Hz, providing incredibly sharp visuals.

High-Power Charging

With a USB-C PD port supporting up to 100W of charging power, you can quickly charge your devices, whether they are smartphones, tablets, or laptops. You won't waste time waiting for a full charge.

Fast Data Transmission

With a USB 3.0 transmission speed of 5Gb/s, file transfer becomes a true pleasure. You save valuable time that you can allocate to other

important tasks.

Solid Construction

The housing made of high-quality aluminum alloy guarantees not only durability but also excellent protection against mechanical damage. The Blitzwolf BW-Neo TH13 Adapter combines reliability and sturdiness in one.

Compatibility with SSD Cards

Thanks to the slot for SSD cards supporting M.2 SATA and M key interfaces, you can easily expand your computer's memory. This is an excellent solution for those who need additional space for their files.
