

Soft circular flash light Puluz PU5145 45cm

Soft circular flash light Puluz PU5145 45cm

Ref: 5907489601306

Photography Diffuser

The Puluz brand's photography diffuser allows for excellent light diffusion, enabling the capture of professional-quality photos. It evenly distributes light on the subject, preventing overexposure and harsh shadows. The flexible strap allows for easy and quick mounting. When folded, it is incredibly compact, making it easy to carry with you and create a mini studio anywhere you go.
