Battery lid TELESIN for GoPro 12/11/10/9

Now you can confidently record videos while charging your camera, regardless of the weather. The TELESIN battery cover for GoPro 12, 11, 10, or 9 is equipped with a special seal that ensures its waterproofness. This means you don't have to worry about water getting inside the device - it can withstand rain or snow without a problem! Furthermore, the accessory is designed to allow easy connection to power thanks to its perfectly fitted opening. An additional advantage of the cover is its soft sponge lining, which absorbs shocks and provides additional protection for the camera's battery. The product is also very easy to install.
