

Wireless Gaming Controller iPega Demon Z PG-9129

Wireless Gaming Controller iPega Demon Z PG-9129

Ref: 6987245391299

Bluetooth connectivity

The ipega PG-9129 gamepad with its built-in 400 mAh battery can run for 10 hours on a single charge. The charging time of the pad is just 2 hours. It has a smartphone holder for added gaming convenience. The bluetooth connection does not require unnecessary game platforms or complicated settings and activation operations. The controller features bluetooth 4.0 - Nothing will get in the way of your gaming experience. The transmission distance is 8 m. The device supports among others computers, Android smartphones and PS3 consoles.

Flexible joystick

The pad has high-quality, wear-resistant joysticks. The positioning of the image is highly accurate - you control every movement precisely.

Reliable holder

It comes with a telescopic mobile phone holder - up to 86 mm. With it, you don't have to worry about your smartphone falling.

Press & GO

The gamepad has a TURBO function - just press one button to make the game faster and more efficient.
