

CPU active cooling Aigo CC94 RGB (heatsink + fan 90x90) black

Ref: 6926170086733

CPU active cooling Aigo CC94 RGB (heatsink + fan 90x90) black

Darkflash CC94 RGB active CPU cooler

Equip your CPU with a powerful cooling system to provide it with optimal working conditions. The high efficiency of the CC94 makes it the perfect addition to any gamer's hardware configuration, while the RGB backlighting gives it a modern feel.

Performance first and foremost

Copper and aluminum have been used in the production of the device, which ensures excellent thermal conductivity. The fan speed of around 1900 - 2200 RP further enhances this effect. Moreover, the use of 4 heat pipes that are in direct contact with the CPU guarantees impressive efficiency.

Perfect for gaming

The most hardware-intensive games can squeeze the maximum potential out of a processor, and in such cases you need to make sure it is properly protected. The device's high efficiency makes it an excellent choice for gamers. What's more, its RGB backlighting will highlight the modern, gaming style of your chosen configuration.

The important details

The CC94's clever design also supports convenient cleaning. You can detach the fan to allow you to quickly and easily get rid of dust and

other debris - thus increasing the performance and lifespan of your hardware. Moreover, the generated noise level does not exceed 23.4 dBA, contributing to a comfortable session in front of the computer.

Kit includes:

Radiator

Fan

Thermal conductive paste

1 x fan mounting clip

Mounting screws

Intel & AMD installation kit

User Manual

Manufacturer

Darkflash

Model

CC94

Cooling type

Active

Number of fans

1

Speed

1900-2200 RPM

Maximum noise level

23.4 dBA

Airflow

45.2 CFM

Bearing type

Hydraulic Bearing

Backlight

RGB

Supply voltage

12 V

Number of heat pipes

4

Compatibility

Intel: LGA 775 / 1155 / 1156 / 1366 / 2011 (Core i3/i5/i7) AMD: AM4/FM2 / FM1 / AM3+ / AM3 / AM2+ / AM2

Fan size

90x90x25 mm

Dimensions

128x50x153 mm

Connector

3 Pin

Heatsink material

Copper + Aluminum

TDP

120 W

Preço:

€ 17.99

Jogos, Cooling, Active cooling
