Vipfan E01 mains charger, 1x USB, 2.4A (white)

The Vipfan E01 mains charger has one USB port. The device is universal, as it fits any equipment with a USB port. It is compact - lightweight and takes up little space, so you can take it with you anywhere and not worry about possible battery drain.

Safe and fast charging

The charger is made of the highest quality non-flammable materials, so it is safe and not a fire hazard. On the other hand, the 2.4A charge guarantees stable and fast charging of your equipment.

Exceptional workmanship

The shell surfaces have been treated with a high-gloss coating that is more resistant to scratches and abrasion. In addition, the device supports global universal voltage support.
