Wireless Bluetooth speaker Havit M3

Havit M3 Bluetooth Wireless Speaker
Havit M3 is a wireless speaker that offers a number of practical functions. It will also serve as an alarm clock, mirror, radio, etc. What's more, it displays real-time temperature and provides high-quality, bass-rich sound. In addition, it works for up to 6 h on a single playback, and with its 85° curved design, you can conveniently monitor the time and status of the device, etc.

Multifunctional design
Havit M3 is more than just a speaker. The device also functions as an alarm clock and radio. It also allows you to use a voice assistant and make phone calls. What's more, it offers a Micro SD card slot and an AUX port. You can also pair a Bluetooth device with it.

Wireless operation
The speaker works wirelessly by connecting to a compatible device via Bluetooth 5.0, so you can enjoy reliable signal transmission of up to 10 meters (in open spaces). What's more, the 1200 mAh battery provides up to 6 h of operation on a single charge. You will need about 2 h to renew the device's energy.
