Havit H630BT PRO Headphones (white)

The Havit H630BT PRO headphones will let you rediscover your favorite tunes. The 40-millimeter drivers deliver impressive sound, and the durable battery provides up to 36 hours of use on a single charge. What's more, they offer long-lasting comfort, and thanks to their foldable design, they won't take up much space for transport.

Richly detailed sound

Immerse yourself in the world of your favorite songs with the Havit H630BT PRO. The headphones use 40mm dynamic drivers, which translates into a richly detailed and bass-toned sound.

Long-lasting comfort

The earcups of the headphones were created from soft and skin-friendly material. They fit snugly around the ears, while not causing uncomfortable pressure. What's more, they are lightweight (225 g), which allows you to use them for a long time without feeling tired or uncomfortable.

Foldable design

Travel to the university, vacation, business trip - Havit headphones will work just about anywhere. They are distinguished by their

foldable design, so they won't take up much space during transport. You can easily pack them into a backpack, purse or suitcase.

Convenient operation

Skip songs, adjust volume, stop/resume playback, answer an incoming call - these and other functions are available from the headphones, just by pressing the dedicated button. No more reaching for your phone to customize the operation of the Havit H630BT PRO!

Up to 36 h playback

Listen to music, podcasts, etc. for up to 36 h. The headphones use a 500 mAh rechargeable battery, which provides a long runtime. What's more, it will take about 2.5 h to charge the H630BT PRO. After this time, you can return to your favorite e-book!
