

Havit Freego1 Air bluetooth earphones (black)

Havit Freego1 Air bluetooth earphones (black)

Ref: 6939119047092

Havit Freego1 Air wireless headphones (black).

Discover a new dimension of listening! Havit Freego1 Air are wireless headphones that use innovative directional technology to bring you high-quality sound while minimizing the risk of hearing damage. Their lightweight and carefully considered design makes them an excellent choice especially for those with active lifestyles.

Caring for your hearing

With the Havit Freego1 Air, you can enjoy your favorite music while remaining aware of your surroundings. The EARPHONES are designed to safely transmit sound without covering your ears, protecting them from possible damage or irritation. It's ideal for active people who want to listen to music while running, biking or walking on city streets, while maintaining full control over ambient sounds.

Immerse yourself in the music

Havit EARPHONES will transport you into a fascinating world of sound. Equipped with 16.2-millimeter drivers, they deliver incredibly clear sound that will reveal new nuances of your favorite songs. The 360° panoramic sound will make you feel as if you are surrounded by music from all directions.

Long working time

Now you can enjoy your favorite sounds all day long! The Havit Freego1 Air features an 80 mAh battery that provides up to more than 15 hours of use on a single charge. This means you don't have to worry about needing to recharge frequently! It will take just 2 hours to charge them, so they'll be up and running again in no time.

Ideal for athletes

The lightweight yet durable design of the EARPHONES makes them fit perfectly to the shape of your ears, stably staying in place even during intense workouts. They also feature LED backlighting for added safety during outdoor activities after dark. This will help you remain visible to other road users during evening runs or bike rides.
