### Oneisall DTJ-002 Pet Trimmer / Clippers (Blue-Gray)

The Oneisall DTJ-002 Pet Trimmer is the perfect solution for any pet owner looking for an efficient and stress-free way to keep their pets in excellent condition. Combining low noise, a long-lasting battery, and ease of use, this blue-gray trimmer model is an ideal choice for caring owners.

#### Low Noise Level: Comfort for Your Pet

The key feature of the Oneisall DTJ-002 trimmer is its quiet operation. Emitting only 50 dB of noise, it ensures comfort for animals during grooming, minimizing stress and anxiety. This is the perfect solution for sensitive animals that are afraid of loud noises.

#### Long Working Time: Reliable Battery

With a 2500mAh battery capacity, the Oneisall DTJ-002 trimmer offers a long working time without the need for frequent charging. An analog battery level indicator makes it easy to monitor the charge status, ensuring that the device is always ready for use.

#### Two Grooming Speeds

The trimmer features two grooming speeds, allowing you to adjust the device's performance to the individual needs of each pet. This enables you to choose the appropriate speed, ensuring both effectiveness and gentleness on your pet's skin.

### Easy Operation: Intuitive Grooming

The design of the Oneisall DTJ-002 trimmer focuses on ease of use, ensuring that every pet owner, regardless of experience, can operate it without any issues. The ergonomic shape and balanced weight provide comfort and precision during grooming.

### Complete Accessory Set

The DTJ-002 trimmer comes with six attachments, lubricating oil, charging cable, brush, and comb. These accessories offer various styling and grooming options and make device maintenance easy. Additionally, the trimmer operates at 7000 revolutions per minute, ensuring fast and precise trimming, even on the thickest fur. Choosing the Oneisall DTJ-002 trimmer is an investment in the comfort and health of your pet.
