Powerbank Baseus Magnetic Mini 10000mAh 30W MagSafe (black)

Baseus Magnetic Mini Powerbank

Baseus Magnetic Mini 10000mAh 30W MagSafe Powerbank (Black)

Charge your devices effortlessly with the Baseus Magnetic Mini. This powerbank comes with a USB-C port and supports wireless charging. It boasts a capacity of 10,000mAh and features LED indicators to monitor the battery status at any time. It also supports fast charging with PD 30W. It offers a retractable cable for easy charging of the powerbank and other devices.

Wired and Wireless Charging

This product allows for both wired and wireless charging for your convenience. It supports fast wired charging at 30W, meaning your iPhone can be charged up to 55% in just 30 minutes! It also supports wireless charging with a maximum output of 15W.

Compatible and Durable

This practical powerbank can easily charge most popular devices, including iPhone 12-14, Samsung, Google, wireless earbuds, smartwatches, electric toothbrushes, and more. Moreover, with a 10,000mAh capacity, you don't need to recharge it frequently. On a single charge, it can replenish an iPhone 14 approximately 1.7 times and a Huawei Mate 40 Pro around 1.2 times.

Safety in Use

With a high-quality polymer lithium-ion battery, using this powerbank is safe. It provides protection against overvoltage, overcurrent, overcharging/discharging, short-circuits, and overheating, among others. Furthermore, it complies with international aviation transport standards, allowing you to take it on your travels.

Thoughtful Design

This product features a lightweight and compact design, making it easy to carry with you at all times. Additionally, it's designed to allow convenient wireless charging of your smartphone even with a case on, without obstructing the phone's camera. Thanks to strong built-in magnets, it ensures stability for your placed device. The surface is also pleasant to the touch and prevents accidental slipping from your hand.

Included in the Package
