

Powerbank Baseus Star-Lord 30000mAh, 65W (white)

Ref: 6932172641382

Powerbank Baseus Star-Lord 30000mAh, 65W (white)

Baseus Star-Lord 30000mAh Power Bank, 65W (White)

Charge up to 3 devices simultaneously with the Baseus power bank! Star-Lord boasts a high power output of 65W and exceptional speed. The battery capacity is 30000mAh. You can take this device with you anywhere, even on board an airplane! Star-Lord supports fast charging technology and is completely safe to use thanks to its multi-level protection.

Intelligent Charging

Star-Lord supports Intelligent Charging Technology (BPSII), dynamically distributing energy between the connected devices and automatically adjusting the output power and voltage. All your devices will be quickly and safely charged with the Baseus power bank!

Wide Compatibility

This device is compatible with Huawei SCP/FCP, Apple PD, Xiaomi QC, and Samsung AFC devices, among others. The Baseus product will rapidly charge your phone or tablet! The power bank is equipped with the following ports: Micro input, Type-C input, Type-C output, USB1/USB2 outputs. As you can see, the possibilities are endless!

Safety in Usage

The device is equipped with an NTC temperature sensor, which, along with the intelligent chip, ensures safe charging and protects

against overheating. The power bank provides multi-level protection against overcharging, overvoltage, overcurrent, short-circuit, and electromagnetic interference. You can charge your selected devices without worry!

Thoughtful Design

Star-Lord features a digital LED display that shows the remaining battery level of the device, making it easy to know when to charge the power bank. The product also complies with international air transport standards, so it can accompany you everywhere, even on an airplane!
