Powerbank Baseus Magnetic Mini 6000mAh 20W MagSafe (white)

Baseus Magnetic Mini 6000mAh 20W MagSafe Magnetic Power Bank (Black)

The Baseus Magnetic Mini 6000mAh 20W MagSafe Magnetic Power Bank is a device that revolutionizes the concept of mobility and convenience. Its compact size and lightweight construction make it the perfect solution for people on the go, taking up minimal space. Thanks to MagSafe technology support, it can be used wirelessly, further enhancing user comfort. Strong magnets provide stability and secure attachment to your phone, without interfering with the ability to take photos. Another advantage is the pleasant touch material and LED indicators that display the device's charging level.

MagSafe Compatibility

The Baseus Magnetic Mini Power Bank is equipped with MagSafe technology, which means you can use it wirelessly, a significant advantage for Apple device users. Magnets hold the power bank in a stable position, ensuring efficient charging without the risk of accidental disconnection. This feature not only makes using the power bank easier but also increases its versatility.

High Charging Power

With a 20W power output, the Baseus Power Bank can charge an iPhone 14 up to 50% in just 30 minutes. This is an impressive result, especially considering the device's small size. Fast charging is a crucial feature for people who need to quickly replenish their device's energy during a busy day.

Safe Usage

The Baseus Magnetic Mini Power Bank is equipped with numerous protections that safeguard both the device and the devices being charged. Protection against overcharging, excessive voltage, and electrostatic protection are just some of the features that ensure the safe use of the power bank.

Practical LED Indicators

LED indicators are a small but very practical feature of the Baseus Power Bank. Thanks to them, users can easily check the device's charge level, which is especially useful when traveling or in situations where access to an outlet is limited.

Package Contents

- Power Bank
- Cable

Specifications

BrandBaseus

ModelPPCXM06A

ColorBlack

BatteryLithium Polymer

Capacity6000mAh/22.2Wh

Energy Conversion Efficiency>75%

USB-C Input5V/3A, 9V/2A

USB-C Output5V/2.4A, 9V/2.22A, 12V/1.5A

Wireless Charging Output15W

MaterialPC, ABS

Dimensions98.4 x 63.9 x 16.3 mm

Weight146.5g

Cable Length50cm

Cable InterfaceUSB-C x 2

Cable Power Rating60W

Cable MaterialTPE

Preço:

€ 37.00

Acessórios para telemóveis, Power Banks, 10000 mAh
