Baseus MagPro Magnetic 5000mAh 20W Magnetic Power Bank, MagSafe (Black)

Baseus MagPro Magnetic is a modern power bank with a capacity of 5000mAh, combining technology and practical design. Designed with convenience and functionality in mind, this device offers both wired and wireless charging simultaneously, as well as the ability to use it as a phone stand. Equipped with 15N magnets, it ensures a stable and strong connection with devices, all in a compact and lightweight housing, perfect for carrying in your purse or backpack.

Wired and Wireless Charging

Baseus MagPro Magnetic offers users full flexibility with the option for both wired and wireless charging. Wired charging boasts an impressive maximum power of 20W, allowing for quick recharging of devices. Meanwhile, wireless charging offers up to 15W of power, ensuring efficient performance. These two options make the power bank a versatile tool for charging various devices.

Stand Function

An innovative feature of Baseus MagPro Magnetic is the ability to transform it into a stand with a 60-degree tilt angle. This allows users to use the device in both portrait and landscape orientations after attaching it to the phone and adjusting the rear panel.
