Powerbank Baseus MagPro Magnetic 5000mAh 20W, MagSafe (mint)

Baseus MagPro Magnetic 5000mAh 20W Magnetic Power Bank, MagSafe (Mint)

Baseus MagPro Magnetic is a modern power bank with a capacity of 5000mAh, combining technology and practical design. Designed for users who value convenience and functionality, the device offers both wired and wireless charging simultaneously, as well as the ability to use it as a phone stand. Equipped with 15N magnets, it ensures a stable and strong connection between devices. All of this is packed into a compact and lightweight casing, perfect for carrying in your bag or backpack.

Wired and Wireless Charging

Baseus MagPro Magnetic offers users full flexibility with the ability to charge both wired and wirelessly. Wired charging boasts an impressive maximum power of 20W, allowing for rapid recharging of devices. Meanwhile, wireless charging offers up to 15W of power, ensuring efficient operation. These two options make the power bank a versatile tool for charging various devices.

Stand Function

An innovative feature of the Baseus MagPro Magnetic is the ability to transform it into a stand with a 60-degree tilt angle. By attaching it to the phone and tilting the rear panel, users can use the device in either a vertical or horizontal position.

Safe Usage

Safe use of mobile devices is crucial, and Baseus MagPro Magnetic is equipped with numerous protections that safeguard both the power bank and the devices being charged. Protection against overcharging, excessive voltage, and electrostatic protection are just some of the features that provide peace of mind and safety during use.

Compact Design and Portability

Small dimensions and lightweight (158.9g) make the Baseus MagPro Magnetic exceptionally practical and easy to take on the go. It easily fits in a bag or backpack, always at hand when you need it most. The black color and elegant design make it not only functional but also stylish.
