Magnetic Mini Air Powerbank Baseus 10000mAh 20W (purple)

Magnetic Mini Air Powerbank Baseus 10000mAh 20W (Purple)

Discover powerful performance in a compact form with Baseus! The Mini Air Powerbank is the perfect solution for anyone in need of a reliable power source during travels, work, or daily activities. Its 10000mAh capacity allows for multiple smartphone charges, ensuring essential power in any situation. It offers both wireless and wired charging options, and thanks to its compact size and low weight, you can take it with you everywhere, even on board an airplane.

Wired and Wireless Charging in One

Choose your charging method! The Baseus Mini Air Powerbank enables both wired and wireless charging with a power of up to 15W. Included in the package is a USB-C cable that allows you to recharge selected devices with a maximum power of 20W. This is not only a practical and convenient solution but also the assurance that your devices will always be ready to operate wherever you are.

10000mAh Capacity

The Baseus Mini Air is ready to provide you with power at any moment. The powerbank offers a 10000mAh capacity, allowing you to successfully recharge popular smartphones 2 or 3 times on a single charge. A 4-level light indicator will inform you about the battery's charge status. Now you have sufficient energy reserves to survive long trips or intensive workdays.

Concern for Safety

You no longer need to worry about damaging your devices during charging! The Baseus Powerbank is equipped with numerous safeguards that provide comprehensive protection against potential threats. It effectively safeguards against overcharging, overload, short circuits, and overvoltage, among others. Furthermore, an advanced NTC chip intelligently controls the temperature during charging, preventing overheating.

Lightweight and Compact

The Baseus Mini Air has been designed with attention to the smallest details. Its lightweight and compact construction make it accessible at all times. It is designed not to obstruct the phone's camera, and thanks to built-in magnets with strong attraction, you can be sure that your device will remain stable in place during the charging process. You can comfortably charge your devices both vertically and horizontally, all without removing the case.

Included in the Package:

Powerbank

USB-C to USB-C cable

☐Manufacturer

☐Baseus

☐Battery Type

☐Lithium Polymer

☐Battery Capacity

☐10000mAh / 37Wh

☐Nominal Battery Capacity

☐5800mAh (5V/2.4A)

☐Energy Conversion Efficiency

☐ $\geq 75\%$

☐USB-C Input Current

☐5V/3A, 9V/2A

☐USB-C Output Current

☐5V/2.4A, 9V/2.22A, 12V/1.5A

☐Wireless Charging Power

☐5W / 7.5W / 10W / 15W

☐Material

☐PC+ABS

☐Dimensions

☐109.1 x 70.4 x 18.5 mm

☐Weight

☐Approximately 203 g

☐Color

☐Purple
