Sonic toothbrush with tips set, holder and case D2 (pink)

Your smile can be even healthier and more beautiful! The sonic toothbrush removes up to 7 times more debris from your mouth than a traditional toothbrush! Bitvae D2 offers 5 cleaning modes, where a smart timer will remind you every 30 seconds to change the brushed area. The device's protection rating is IPX7, and it lasts up to a month! What's more, the toothbrush is recommended by the American Dental Association. In the set you will find a case and up to 8 replaceable tips - a supply that will last you for 2 years!

Effective dirt removal

The D2 sonic toothbrush is equipped with a motor that allows it to generate a vibration of 40,000 movements per minute. The tip with DuPont bristles is designed to follow the shape of your teeth as closely as possible, so it removes bacterial plaque without damaging your gums! If you use a traditional toothbrush, with D2 your teeth can be up to 7 times cleaner than before! Enjoy the feeling of perfect freshness!

Choose the mode for you

The toothbrush offers up to 5 cleaning modes, so you're sure to find the perfect one for you! The White mode will take care of removing stubborn stains from coffee, wine, or cigarettes to whiten your smile. Polish mode will further polish your teeth. Clean mode will be perfect for daily care. Are your teeth sensitive or do you suffer from gum pain? Use the Soft and Gum Care modes to gently clean your

mouth and give your gums a gentle massage.

Smart timer - 2 minutes for a beautiful smile

Bitvae D2 is a practical device that will allow you to easily take care of a clean and healthy smile. Equipped with the Smart Timer function, it will remind you every 30 seconds to change the brushed area. After a full 2 minutes, the toothbrush will automatically turn off! This is enough time for the effect of perfect freshness!

Long working time

The product uses a rechargeable battery, the capacity of which is 350 mAh. It guarantees up to 30 days of work of the toothbrush, which also makes it an ideal companion for any trip! This doesn't mean you can't pack the charger with you, which is extremely small and handy, and will also serve as a practical stand for your D2! You will refill the energy of your toothbrush in just 4 hours!

Indispensable accessories

In the set you will find useful accessories that will allow you to take comprehensive care of your oral hygiene. The 8 replaceable tips are a supply for up to 2 years - you don't have to worry about forgetting to replace them - after about 3 months, the bristles start to lose their color, signaling that it's time for a new tip. A USB cable is also included, as well as a practical space-saving holder.

Practical and effective

D2 is a practical device that you will take with you wherever you need it. The protection rating of the toothbrush is IPX7, so you can use it freely in the bath or shower. Enjoy effective performance and fantastic durability!
