Rubber Hammer Deli Tools EDL5616, 0.5kg (black)

Deli Tools rubber hammer EDL5616

The Deli Tools rubber hammer is a tool that focuses on efficiency and comfort. The durable, deformation-resistant head ensures effective working, while the steel shaft with rubber coating makes the tool fit perfectly in the hand - guaranteeing stability and precision.

Quality construction

The hammer head is made of PVC, guaranteeing impact and deformation resistance. Moreover, the steel handle ensures stability and strength, while the rubber coating makes the tool lie perfectly in the hand. The hammer is designed for installation work, such as laying floor and wall tiles and paving stones.
