Ref: 6936761889612

Orico FL01-BK-BP 4-in-1 Adapter

Your laptop doesn't have enough ports? Now you can change it! Orico's universal hub offers 4 USB2.0 ports and provides a fast, reliable connection without lag. It allows convenient file transfers between devices such as flash drives and supports OTG function. It is also distinguished by its wide compatibility. The adapter is lightweight and portable, so it can accompany you almost anywhere.

Reliable performance

The adapter is equipped with a superior quality control chip that guarantees high sensitivity and responsiveness. You don't have to worry about delays, stuttering and other connection problems. The device will surprise you with reliable operation in almost any situation.

Conveniently copy your files

Want to copy documents from your hard drive to your computer? Or maybe you need to transfer files between flash drives? With Orico it becomes easier and faster than ever before! Simply connect the devices of your choice to your computer or laptop using the USB adapter.

OTG function

Your smartphone or tablet supports OTG? We have great news for you! The Orico adapter also supports this function. Conveniently watch

movies from your flash drive on your phone or use your tablet at work to increase your efficiency. See how else you can make your life easier!

Wide compatibility

What else sets the Orico USB adapter apart? Wide compatibility! The device can support many different devices such as hard drives, keyboards, card readers, printers or computer mice. It also works perfectly with popular operating systems such as Windows, mac OS and Android.

Lightweight and portable

The Orico adapter is incredibly lightweight and compact, so you can carry it with you at all times. It won't take up too much space in your backpack or purse! Take it with you to work or on vacation and conveniently use its functionality whenever needed!
