Acefast A25 PD 20W USB-C + USB-A Power Charger

Looking for a universal charger with fast charging function? Acefast A25 will be an excellent choice! It is equipped with 2 ports - USB-C and USB-A, so you can connect 2 devices to it at the same time. It is also distinguished by its maximum output power of 20W and wide compatibility. The product also supports various fast charging standards. In addition, the charger is extremely durable and resistant to damage, while being lightweight and portable - it weighs only 65g.

Fast charging

Now you can charge the devices of your choice in a short time. The A25 charger supports several fast charging standards, including PD 20W, PPS, QC3.0, AFC and FCP. It enables instant power restoration for iPhones, Samsung smartphones and iPads, among others. What's more, it's compatible with most phones and tablets from well-known brands.

2 available ports

Save time by charging 2 devices simultaneously. The A25 charger allows you to use 2 ports - USB-C and USB-A. The former offers an output power of up to 20W, while the latter offers a maximum of 18W. By using both ports at the same time, you can enjoy an output power of about 15W.

Safety of use

The Acefast A25 charger allows not only fast, but also safe charging. It's made of fire-resistant PC plastic, making it extremely durable. The device also has an advanced safety system, which is responsible for protecting it from damage.
