Wall Charger Choetech PD5010, PD 20W

Choetech PD5010, PD 20 W mains charger

Are you tired of waiting a long time for your devices to be charged? Choetech's 20 W mains charger will solve this problem! The device supports PD fast charging technology and is widely compatible - you can connect your phone, tablet, wireless headphones and more! Just get a USB-C/USB-C or USB-C/Lightning cable to enjoy the many capabilities of the Choetech product. The charger has a sturdy, compact design and is completely safe to use.

### Fast charging technology

Choetech's AC charger supports Power Delivery fast charging technology, with a maximum output of 20 watts. Thanks to this, the battery charge level of your device will reach 60% in just 30 minutes. You can connect a USB-C/USB-C or USB-C/Lightning cable to the charger, making it highly versatile and capable of charging Apple-branded devices as well as devices equipped with a USB-C port.

### Wide compatibility

You don't have to limit yourself! Comfortably charge devices such as iPhone, iPad mini/Air/Pro, AirPods/Pro/Max wireless headphones, Samsung (Note 8/S8 and newer models), Google Pixel / Pixel +, LG G8/V30+, Sony XZ3/XZ2 and Nintendo Switch/Life. You can also use Choetech product to charge wireless chargers or powerbanks. The possibilities don't end there!

### Thoughtful design

What characterizes the Choetech mains charger is its minimalist design and compact size. The product is resistant to any damage and the formation of fingerprint marks. Its use is safe. Thanks to the smart IC chip, you don't have to worry about overheating, overvoltage, overcharging or overcurrent. The charger has a USB-C port (no USB cable included).
