MOKiN 10 in 1 Adapter Hub USB-C to 3x USB 3.0 + USB-C charging + HDMI + 3.5mm audio + VGA + 2x RJ45 + Micro SD Reader (silver)

Adapter Hub 10in1 MOKiN USB-C to 3x USB 3.0 + USB-C charging + HDMI + 3.5mm audio + VGA + RJ45 + Micro SD Reader (silver)
The MOKiN 10-in-1 Hub Adapter is a solution that will increase the functionality of your laptop or computer, allowing you to connect multiple devices at the same time. Up to 10 different ports are at your disposal, including USB, HDMI, Ethernet or VGA. Thanks to its compact design, you can easily take it with you on the go, allowing you to work and entertain anywhere.

Picture quality that impresses
Discover a new dimension of entertainment and work by viewing movies, presentations or photos in the highest quality. The HDMI port supports 4K resolution at a refresh rate of 60 Hz, which means every image is exceptionally sharp and dynamic. What's more, the VGA port offers 1080p / 60Hz resolution, which is ideal for presentations and displaying content in the office or at meetings. Now you can enjoy a cinematic experience in your own home, watching your favorite movies and series in ultra HD.

Fast charging and data transfer
The MOKiN adapter will surprise you with its impressive charging and data transfer speeds! The PD3.0 port allows you to charge with as much as 100 watts of power, so you'll be charging your devices of choice in no time, providing them with uninterrupted power. However, it doesn't stop there! The USB3.0 port enables high-speed file transfers of up to 5 Gbps, and thanks to backward compatibility with USB2.0, you can use these ports even with older devices.

Stable network connection

Forget frustrating delays and signal loss - now you can be sure to stay online without interruption. The Ethernet port provides a maximum speed of 1000 Mbps, which translates into a stable and fast Internet connection. Whether you're working remotely, participating in video conferencing or simply using the network to browse the web, you can rest assured that your connection will be smooth and reliable.

Instant access to data

You no longer have to worry about space for your photos and files - with the MOKiN adapter, storing and sharing data becomes extremely convenient and fast. Equipped with SD and microSD memory card slots, it provides data read speeds of 50 to 104MB/s, meaning you can browse and copy your files in no time. Data write speeds of 30 to 80MB/s make saving new files just as fast and efficient.
