MOKiN 7 in 1 Multiports Hub USB-C to 3x USB3.0+ SD/TF + HDMI + PD (silver)

MOKiN 7-in-1 Hub Adapter USB-C to 3x USB3.0 + SD/TF + HDMI + PD (silver).

With the MOKiN 7-in-1 adapter, you get a number of options to expand the functionality of your laptop or computer. It offers a variety of useful ports, such as USB-C, HDMI, USB3.0 and memory card slots that allow you to flexibly manage different devices and increase your productivity.

Image quality at the highest level

Watch movies or work on graphic design projects while enjoying excellent image quality. The HDMI port supports video display at a maximum resolution of 4K@30Hz. Clear and realistic colors, deep contrasts and smooth animations will make any presentation, movie or game take on a whole new dimension.

Impressive speed

USB3.0 ports are the key to fast and efficient data transfer. Transfer speeds of 5 Gbps make file transfers lightning fast. You will also successfully connect various devices and accessories to them, thus increasing your productivity and comfort. The MOKiN hub also features a USB-C port that provides charging with up to 100 watts of power, allowing you to quickly charge your laptop, tablet or smartphone.
