MOKiN USB-C Hub with 10Gbps 4 USB-C Ports (silver)

MOKiN USB-C Hub Adapter with 4 USB-C 10Gbps ports (silver)

Does your laptop not have enough ports? The MOKiN Adapter with 4 USB-C ports is exactly what you need to expand the capabilities of your device. It offers lightning-fast data transfer with speeds as fast as 10Gbps, and thanks to its wide compatibility, it's ready for multiple platforms.

Transfer data at an express pace

Now you can transfer files, create backups and share media at incredible speeds. USB-C ports deliver lightning-fast data transfer speeds of up to 10 Gbps - that's up to 20 times faster than USB 2.0! That means no more waiting to transfer important documents between devices. What's more, it supports the UASP protocol, which means SSDs operate at peak performance, and data transfers are even faster and more efficient.

Even more functionality

You no longer have to choose which devices to connect to your laptop! The Hub will allow you to connect all the necessary accessories and devices that will make your work in front of the computer more convenient. Whether you need an additional mouse and keyboard or want to connect a hard drive or flash drive, this adapter will meet your needs.

Compatible with your hardware

Forget about compatibility problems! With wide compatibility with operating systems such as Windows, Mac OS, Linux, Android and iPad OS, you can enjoy the full functionality of the hub no matter what device you are working on. What's more, the MOKiN adapter supports Plug&Play, so it's ready to go as soon as you plug it in, without the need to install additional drivers or complicated configurations.

Take it with you anywhere

The hub's slim and compact design, similar in size to a smartphone, means you can take it with you anywhere you want. It will easily fit into almost any bag or backpack! The adapter also features an extremely durable cable that is resistant to damage and wear. Thus, you can be sure that it will serve you for many years.
