Ref: 6976301930947

MOKiN 7in1 USB-C to 2x HDMI + 3x USB 2.0 + DP + VGA Hub Adapter (silver)

The MOKiN 7-in-1 Hub is the key to even greater productivity and convenience at work. Equipped with a variety of ports, including VGA, DP, HDMI and USB, it will bring you comfort and efficiency in your daily use. Its wide compatibility with various operating systems means you can use it on multiple platforms.

Cinematic picture quality at your fingertips

With MOKiN you can enjoy excellent picture quality! The Hub is equipped with 2 HDMI ports that allow you to connect two monitors and display content at an amazing 4Kx2K@60Hz or 4Kx2K@30Hz resolution. The VGA port, offering 1080p 60Hz resolution, is ideal for presentations and displaying content on larger screens. And the DP (DisplayPort) port is an additional option for professionals, providing even more flexibility in device management.

Expand your capabilities

Whether you're working or playing your favorite games, the MOKiN hub will give you the convenience you need! It offers 3 USB2.0 ports that allow you to connect a variety of accessories and devices. Now you can connect a mouse, keyboard, flash drive, printer or other accessories to make your work easier and more productive.

User-friendly

The MOKiN adapter is designed with wide compatibility in mind. It works with a wide range of operating systems, such as Windows, Chrome OS, Mac OS, Linux, Android, iOS and Smartisan, making it ideal for a variety of devices. Thanks to Plug&Play technology, you don't have to worry about complicated installations or drivers. Just plug the adapter into your laptop or computer, and all the available ports and features are ready to use right away.
