

## MOKiN Adapter/Docking Station 9 in 1 USB C to 2x USB 2.0 + U

Ref: 6976301930985

MOKiN Adapter/Docking Station 9 in 1 USB C to 2x USB 2.0 + USB 3.0 + 2x HDMI + DP + PD + SD + Micro SD (silver)

MOKiN 9in1 Adapter/Docking Station USB-C to 2x USB 2.0 + USB 3.0 + 2x HDMI + DP + PD + SD + Micro SD (silver)

Stock up on the MOKiN 9in1 Docking Station and expand the capabilities of your laptop! It offers up to 9 different ports, including Display Port, HDMI, USB, USB-C or memory card slots. All this in one compact device that will fit in your bag or backpack, always ready for action.

### Discover a new picture quality

Now you can display your favorite movies or present your projects in the highest quality. Two HDMI ports allow you to connect up to two monitors at the same time, offering impressive image quality in 4K resolution. This is ideal for professionals, graphic designers and entertainment lovers. With the DisplayPort, you can connect your laptop to a larger monitor or screen, increasing your work efficiency and viewing comfort.

### Performance at a high level

Achieve a higher level of performance with MOKiN! USB 3.0 and USB 2.0 ports allow you to transfer data at impressive speeds of up to 5 Gbps and 480 Mbps respectively, making file transfers even faster. And that's not all! With up to 100 watts of charging power, the USB-C port allows you to instantly and efficiently charge your laptop, tablet or smartphone, so you'll always be ready for action.

### Your solution for missing ports

Have you always been missing ports to connect different devices? Now it won't be a problem! The MOKiN 9-in-1 docking station is equipped with 3 USB-A ports, allowing you to connect multiple devices at once, including a monitor, mouse, keyboard, external drive, memory card reader and more. It's a solution that will make your daily tasks easier.

#### Instant file transfers

From today, data management will become even easier! The adapter is equipped with slots for SD and microSD memory cards, so your files will always be at your fingertips. With data read speeds of 10 to 30 MB/s and data write speeds of 20 to 40 MB/s, you'll be able to freely transfer, copy and share your media, photos and videos in no time.

#### Thoughtful design

The docking station has a built-in advanced chip that keeps a watchful eye on the security of your various devices. It not only protects your devices, but also controls the temperature, ensuring optimal working conditions. Regardless of the intensity of your work, you can rest assured knowing that the MOKiN hub is always operating at peak performance without the risk of overheating.
