

Laptop Adapter HuntKey 90W Universal

Laptop Adapter HuntKey 90W Universal

Ref: 4897024230782

HuntKey 90W universal laptop power adapter

Now you can be sure that your laptop will always be ready to work! The universal laptop power adapter offers up to 90 watts of power, which means your laptop will run at full capacity even during the most demanding tasks. It is equipped with a USB-C connector, making it compatible with many laptop models. Multi-level protection ensures safe use, and thanks to its compact size, you can take it with you anywhere.

Maximum performance

Give your laptop the power it needs! The HuntKey power supply guarantees a power output of 90 watts, and the energy conversion of more than 87% makes it not only efficient, but also environmentally friendly. You save energy and take care of the planet without sacrificing performance either!
