Ref: 4894788000699

HuntKey K65 PD 65W EU wall charger

Are you looking for a reliable and compact charger to renew the power of your smartphone or tablet in no time? The HuntKey K65 mains charger is the answer to your needs! It offers 65 watts of power and supports several fast charging standards. Equipped with a USB-C port, it works perfectly with many popular devices, including phones, tablets, laptops or Nintendo Switch consoles.

Fast charging technology

Whether it's your laptop, smartphone or tablet, the HuntKey charger will deliver optimal charging power, providing fast and efficient charging whenever you need it. Its charging power of 65 watts means it won't take long to renew your devices' energy. It also offers support for PD, QC and PPS fast charging, which means you can charge your devices much faster than with traditional chargers

For the sake of safety

Charge your devices without worrying about possible damage. The charger is equipped with a number of safety features that make it safer to use. It effectively protects against short circuit, overcurrent or overheating, among other things. It also has a built-in smart chip that automatically adjusts the charging power to the needs of the connected device.
