Sports Earphones/Sunglasses BlitzWolf BW-G02 (black)

Enjoy your favorite tunes while protecting your eyes from glaring sunlight or reflections. BlitzWolf BW-G02 is a 2-in-1 combination of headphones and sunglasses that are perfect for activities such as cycling, mountain hiking, and more. They are equipped with high-quality lenses and feature 16.5mm drivers for excellent sound quality. With up to 5 hours of playback time on a single charge and Bluetooth 5.3 connectivity, they ensure reliable transmission. These headphones are also very lightweight and comfortable, weighing only 36 grams.

High-Quality Lenses

Protect your eyes from glaring light reflecting off water, snow, or glass. BlitzWolf BW-G02 sunglasses offer excellent visibility in nearly all conditions! They also help prevent eye fatigue. The product features high-quality TAC lenses that block harmful UV light and are safe for your eyes.

Durable Construction

These sunglasses are made from high-quality PC material, making them highly durable and resistant to impact. You don't need to worry about them getting damaged easily! They also have an IPX5 waterproof rating, allowing you to use them in rainy weather or during intense workouts without any concerns about splashes or sweat.

High-Quality Sound, Reliable Connection

The headphones are equipped with 16.5mm drivers, delivering clear, crisp, and detailed sound. They support the AAC codec and Bluetooth 5.3, ensuring not only fantastic audio but also fast and stable signal transmission – no need to worry about delays!

Long Battery Life

Planning a bike ride or a mountain adventure? Take these headphones with you and enjoy your favorite playlists for as long as you want! The BW-G02 model can play music for approximately 5 hours, and during phone calls, it lasts up to 4.5 hours. Charging the product is easy using the included magnetic cable, taking only about 1.2 hours.

ENC Noise Reduction Microphones

These Blitzwolf headphones are also handy for phone calls. Whether you're exploring a crowded city center or conquering a mountain peak, and someone calls you, no problem! The BW-G02 model is equipped with reliable HD microphones that support ENC noise reduction. This ensures clear voice recording while eliminating unnecessary background noise. Your callers will hear you perfectly!

Convenient Operation

With Blitzwolf, you don't need to constantly reach for your phone. The BW-G02 headphones come with a user-friendly button that gives you easy access to essential functions. You can pause playback, skip tracks, adjust the volume, answer calls, activate voice assistants, and even remotely control your smartphone's camera. It's the perfect solution for workouts, bike rides, or city trips!
