

## Memory card SanDisk Ultra Android microSDXC 128GB 100MB/s CI

Ref: 619659185091

Memory card SanDisk Ultra Android microSDXC 128GB 100MB/s CI

SanDisk Ultra Android microSDXC 128GB 100MB/s CI.10 UHS-I memory card

The product will be perfect for smartphones and tablets with Android operating system. Allows you to store up to 128GB of files and data transfer at speeds up to 100MB/s. Rugged design allows you to use the card in almost any conditions, and with the SanDisk Memory Zone application you can manage your media files and memory.

Full HD video

With a card capacity of up to 128GB, you can store recordings in Full HD resolution (1080p) on it. You don't have to worry about running out of memory, there is also enough space for photos, music and other files.

Adapted to operate in extreme conditions

The memory card is extremely durable, so you can use it almost anywhere! The product is resistant to water, shock, extreme temperatures, X-rays and magnetic fields. Enjoy the freedom of use with a memory card from SanDisk!

Even more features

Using the Google Play Store, you can download the SanDisk Memory Zone app to view and back up files stored on your phone. In addition, the app allows you to automatically move files to the memory card, which will free up space on your device.
