

Brushless Wrench Deko Tools DKBW20XL01-H 20V

Ref: 6974491580713

Brushless Wrench Deko Tools DKBW20XL01-H 20V

Deko Tools DKBW20XL01-H 20V brushless wrench.

With the Deko Tools brushless wrench you can quickly and conveniently perform construction, maintenance and repair work or assemble furniture. The device offers a powerful brushless motor with 3 speed settings. Its ergonomic, user-friendly design affects comfort during use. The instrument draws power from a durable battery, ensuring long operation on a single charge.

High performance

The wrench is equipped with a brushless motor with a maximum torque of 350 Nm. There are 3 levels of no-load rotation speed - 1000 / 1800 / 2450 RPM. All this, combined with a frequency of up to 3200 BPM, makes this versatile tool applicable in the workshop of any DIY enthusiast.

User-friendly

The tool was designed with the comfort of the work in mind. Its ergonomic design guarantees a firm grip and comfortable use. The HOG-type mount ensures easy and quick replacement of sockets, and the built-in LED flashlight allows illumination of dark spaces.

Efficient power supply

The device draws power from a powerful 2000 mAh lithium-ion battery. This means you won't have to worry about having to stop

working due to a power outage. The charging process will take about 1-2 hours and is done through the dedicated included charger.

Kit includes:

Brushless wrench

Rechargeable battery

Charger

19mm socket
