

Dash camera Hikvision K2 1080p/30fps

Ref: 6931847151317

Dash camera Hikvision K2 1080p/30fps

Hikvision K2 1080p/30fps video recorder

It is a good idea to think about additional safety when travelling by car. It will be the Hikvision K2 video recorder. You will be able to record high-quality images which you will be able to reproduce without any problems. The camera will be an indispensable part of every journey, thanks to the possibility of inserting an SD card with a maximum capacity of 128 GB.

Car security

It is worthwhile to further protect your car, whether you own or operate it. The Hikvision dashcam K2 with 1080P resolution will provide additional protection for your car. Furthermore, its wide angle is 122 degrees. Thanks to this, you will be able to record any dangerous event.

Hassle-free operation

Using the Hikvision dashcam K2 video recorder is made more convenient thanks to the dedicated app. In addition, communication with the equipment is much easier as it is equipped with a Wi-Fi module. Its small size, low weight of 100 g and a special clip make it easy to mount in the car.

Easy access to data

Configuring parameters, playing back recordings and live view will enable you to use the dedicated HikDashcam app. It will make access

to the recorded data much faster. In addition, the Hikvision camera has the ability to store SD cards with a maximum capacity of 128 GB and overwrite recordings. This way you gain confidence that every event on the road will be recorded.
