1MORE Pistonbuds Pro SE Wireless Earbuds (White)

Fall in love with impeccable sound quality with the 1MORE Pistonbuds Pro SE wireless earbuds, combining innovative QuietMax™ noise reduction technology, advanced DLC driver, and the latest Bluetooth version 5.3. These earbuds provide clarity and depth of sound in any environment. With an ergonomic design, long playback time (up to 30 hours), and a waterproof construction, these earbuds are perfect for daily activities and intense workouts.

Crystal Clear Sound

The DLC driver ensures a surprisingly balanced sound and allows you to play every detail with exceptional precision. With 1MORE Pistonbuds Pro SE, you'll rediscover the sound of drums, chords, and artists' voices - all to provide you with unforgettable listening experiences. In addition, Spatial Audio creates a sense of depth and realism, just like in the cinema.

Sound on Your Terms

With 1MORE Pistonbuds Pro SE, every song can sound even better. From the dedicated app, you can choose from 12 professional EQ settings to customize the sound to your liking. Bass Booster? Rock? Classic? Just a few clicks, and the music will sound exactly the way you want it!

Peace in the City Chaos

Listen to music and podcasts without any interruptions even in the most crowded places, thanks to the advanced QuietMax™ noise reduction technology. The 1MORE PistonBuds Pro SE effectively suppress unwanted sounds up to 42 dB, allowing you to focus on your chosen audio in any location – whether on the bus, in a cafe, or on a busy street. Prefer to stay connected with your surroundings? Switch to Transparency mode to have conversations with people around you while enjoying uninterrupted music playback.

Bluetooth 5.3 Technology and Low Latency

Bluetooth 5.3 minimizes transmission delays and provides a stable connection up to 10 meters away. As a result, you can enjoy freedom of movement without worrying about connection interruptions during calls, music playback, or gaming. Additionally, the 1MORE PistonBuds Pro SE offers a gaming mode with only 0.08 seconds of latency, ensuring perfect audiovisual synchronization for an even more immersive experience!

Unparalleled Call Quality

With 6 microphones and AI algorithm, 1MORE PistonBuds Pro SE earbuds guarantee crystal-clear sound during calls, even in noisy environments. Additionally, the aerodynamic design minimizes wind interference, allowing for smooth communication wherever you are.

Durability and Reliability

1MORE PistonBuds Pro SE earbuds offer up to 7.5 hours of playback on a single charge (when ANC mode is off) or up to 5 hours (when ANC mode is on). The charging case extends this time to 30 hours, and just 10 minutes of fast charging provides an additional 2 hours of playback.

Intuitive Control

Convenient touch panels allow you to easily pause music, answer and end calls, and activate voice assistants. Forget about reaching for your phone!

Ergonomics and Comfort

The ergonomic, slanted design combined with soft silicone ear tips ensures that 1MORE PistonBuds Pro SE earbuds remain securely in your ears, even during movement. You can comfortably use them during workouts. Worried about sweating excessively during activities and damaging your equipment? No need – with an IPX5 water resistance rating, you can exercise to the beat of your music without any worries! Additionally, built-in sensors automatically pause playback when you remove an earbud – so you won't miss a part of your favorite song!
