Memory card microSD 256GB Kingston Canvas Go Plus

Kingston Canvas Go Plus 256GB microSD Memory Card

The Kingston Canvas Go! Plus microSD memory card, created by the renowned Kingston company, is the perfect choice for enthusiasts who create 4K resolution videos. This accessory is an excellent partner for action cameras, drones, and Android devices. With an incredible transfer speed of up to 170MB/s, it will speed up your work and allow you to focus on capturing unforgettable moments. Unleash your creativity!

Record in 4K Ultra-HD Quality

With U3 and V30 speeds, you don't have to worry about missed frames when recording high-quality videos. The Kingston Canvas Go! Plus microSD card enables smooth recording in 4K Ultra-HD resolution and creating dynamic motion shots. This accessory allows you to transfer and save content in Full HD and 4K UHD quality at speeds of up to 170MB/s. It's a tool you can always rely on.

Support for Applications

The Kingston Canvas Go! Plus microSD card has an A2 Application Performance Class, which means faster app performance on your smartphone or tablet. Additionally, an optional SD adapter is available, allowing you to use the card in devices that support the SD standard.
