Esperanza EA145B mouse pad (blue).

The Esperanza EA145B mouse pad is the perfect combination of style and performance. Designed to work with optical and laser mice, this blue mousepad features high-precision movement, a non-slip underside and easy cleaning.

Compatible with optical and laser mice

Esperanza EA145B mouse pad is designed to work with different types of mice - traditional, vertical and vertical. Thanks to this universal approach, regardless of the type of mouse used, the user can enjoy reliable and smooth movements. This is especially important in environments where different devices are frequently swapped or alternately used.

Easy to clean

Workplace hygiene is extremely important. Esperanza EA145B pad is covered with an easy-to-clean material, which allows you to keep it effortlessly clean. Thanks to this, the product remains aesthetically pleasing and hygienic for a long time, even with intensive use.

Anti-skid bottom

The non-slip underside of the Esperanza EA145B mousepad ensures that it remains stationary on your desk, regardless of the intensity of your mouse movements. This provides additional comfort at work, eliminating annoying sliding on the table.

Minimalist design and color

Aesthetics matter. The rectangular, minimalist design of the Esperanza EA145B mousepad, in an elegant blue color, makes it fit perfectly into any modern workspace.
