Esperanza ERW003 12-50 inch TV mount.

Choosing the right TV mount is a key part of arranging a home space. Esperanza ERW003 is not only a solid and secure design, but also guarantees comfort and flexibility of use. Designed for TVs from 12 to 50 inches and able to withstand a load of up to 20 kg, this metal mount combines ease of installation, position adjustment and aesthetics. Compliant with the VESA standard, with adjustable tilt, swivel and distance from the wall, the ERW003 mount is ideal for any interior.

Easy installation and versatility

The Esperanza ERW003 stands out for its ease of installation, making it ideal even for those without installation experience. The mount is compatible with the VESA standard (75x75 - 400x400mm), allowing it to be used with a wide range of TV models. In addition, the included spirit level makes it easy to precisely level the mount, ensuring perfect TV positioning.

Position adjustment for optimal viewing comfort

A key feature of the Esperanza ERW003 mount is its advanced position adjustment. The ability to adjust the tilt up to +/- 25 degrees and the horizontal rotation up to 180 degrees ensures that the viewing angle is perfectly adjusted. Thus, regardless of the TV's location, you can enjoy comfortable viewing from anywhere in the room.

Durable construction and elegant design

Capable of supporting TVs weighing up to 20 kg, the ERW003 mount's sturdy metal construction ensures safety and stability. In addition, its minimalist and elegant design makes the mount fit perfectly into modern interiors. Its light weight (580g) and adjustable distance from the wall (55-220mm) further emphasize its versatility and practicality.
