

14-50 inch TV mount Esperanza ERW013

14-50 inch TV mount Esperanza ERW013

Ref: 5901299958971

Esperanza ERW013 TV mount 14-50 inches

The Esperanza ERW013 TV mount is a practical solution for those looking for a simple and effective way to hang a TV between 14 and 50 inches on the wall. This metal mount is easy to install and provides stable support for your TV.

Fits a wide range of TVs

One of the key features of this mount is its compatibility with TVs of different sizes. Thanks to its compatibility with the VESA 75x75 - 200x200 standard, this is a versatile mount that can be adjusted to fit many TV models. There's no need to worry about complicated installations or specialized tools - the Esperanza ERW013 is easy to install and includes mounting accessories and a practical spirit level that makes it easy to level the mount.

Minimalist design

The minimalist design of this mount makes it blend in perfectly with any interior. In addition, the low weight of the mount (380g) means that it does not overload the wall. This is a practical solution that will allow you to enjoy your favorite TV programs in a comfortable and aesthetically pleasing way.

The power of advantages

Esperanza ERW013 is a mount that will meet the expectations of those looking for a simple and solid solution for hanging a TV. With its help, you can create a comfortable place to watch TV without the need for specialized personnel. User-friendly, this mount is ready to go and serve for many years.
