Portable 3-in-1 Flextail Tiny Pump 2X (White)

Flextail Tiny Pump 2X is a compact 3-in-1 device that offers great versatility and efficiency in a small package. Perfect for travelers, outdoor enthusiasts, and practical gadget lovers, this tiny pump is not only lightweight and easy to carry but also impresses with its power: from inflating mattresses to serving as a flashlight, it's the perfect tool for any adventure.

Inflation Performance

Tiny Pump 2X can inflate up to 105 cushions or 40 single mattresses on a single charge, making it ideal for camping and travel. With a speed of 180 l/min, it efficiently handles any task, minimizing the time needed to prepare your sleeping space.

LED Lighting

With a brightness of 40 lumens, this pump can serve as a practical flashlight, providing light for 10 hours on a single charge. It's an invaluable solution in emergency situations or for evening outdoor activities.

Compact Dimensions and Weight

Tiny Pump 2X weighs only about 94g and has dimensions of approximately 5 x 4 x 6cm, making it incredibly easy to transport. You can easily fit it in your jacket pocket or attach it to your backpack using the metal handle, making it the perfect companion for any

adventure.

Suction Power and Practicality

With a suction power of 4kPa, Tiny Pump 2X effectively extracts air from 45 vacuum bags. This is an excellent feature for those who want to save space when packing or store items in an organized and hygienic manner. Flextail Tiny Pump 2X is the ideal solution for people looking for a compact yet efficient multifunctional device. Combining inflation, lighting, and vacuum functions, it's a product that will come in handy in many situations, both at home and during travel.
