

## Headlight Warsun YHT3, 200lm, 1200mAh, USB-C

Headlight Warsun YHT3, 200lm, 1200mAh, USB-C

Ref: 6976337900709

Headlight Warsun YHT3, 200lm, 1200mAh, USB-C

Warsun YHT3 is a practical headlamp suitable for various conditions. It is water and drop-resistant, making it ideal for outdoor use. It can run for up to 30 hours on a single charge, providing a bright light of up to 400lm. You can also switch between red and white light. Additionally, it features a built-in motion sensor for hands-free activation.

### Efficient Light Source

The headlamp is equipped with 2 T6 and COB LEDs, providing brightness levels of 400lm and 150lm respectively. You can also adjust the light color and brightness to your liking. It offers a 90° adjustable light angle for added convenience.

### Up to 30 Hours of Operation

Powered by a 1200mAh lithium-polymer battery, the Warsun YHT3 headlamp can shine for 5 to 30 hours, depending on the operating mode. This ensures that the headlamp won't let you down during long outdoor adventures or repair tasks. The headlamp also features a battery level indicator, so you can recharge it in time. Charging the YHT3 takes approximately 3 hours.

### Resilient in Challenging Conditions

The Warsun YHT3 won't disappoint you in almost any situation. With drop resistance up to 1 meter, you can confidently use it in rugged

terrain. Furthermore, its IP56 waterproof rating means that rain or moisture won't be a problem for this device.
