Powerbank mini Baseus 10000mAh, USB-C 30W White

Baseus 10000mAh 30W Fast Charging Mini Power Bank (white)

Charge your devices quickly and safely. The Baseus mini powerbank is equipped with a USB-C port and allows wireless charging. Its capacity is as high as 10,000 mAh. It also has a built-in display that allows you to check the battery capacity at any time. It supports such fast charging protocols as PD 30 W, for example.

Thoughtful design

The product has a light weight and compact size, so you can carry it with you at all times. In addition, it was designed to allow you to conveniently wirelessly charge your smartphone - it does not obscure the phone's camera, so you can successfully use it, and thanks to built-in magnets with a high attracting force, it provides stability to the phone placed on it. In addition, the material is pleasant to the touch and prevents it from slipping from your hand.

Wired and wireless charging

The powerbank allows both wired and wireless charging. The solutions used will give you the convenience you desire. It supports fast wired charging with 30 watts of power. What does this mean in practice? Your iPhone 14 Pro will be charged to 50% in just 30 minutes! It also supports 15 W wireless charging.

Wide compatibility

You can easily charge most popular devices with this practical powerbank. The product allows you to quickly charge iPhones 12-13 series, and is also compatible with Xiaomi and Huawei phones, among others. It also allows you to power tablets and wireless headphones. With a capacity of as much as 10,000 mAh, you won't have to charge it too often.

Safe to use

The high-end battery guarantees safe charging. Baseus offers protection against overvoltage, overcurrent, overcharging and short circuit, among others. The powerbank is also equipped with NTC temperature sensors to prevent overheating. In addition, the product demonstrates compliance with international air transport standards, allowing you to take it with you almost anywhere.
